1. Welcome. Chairman welcomed everyone to the meeting.

Public Forum.

The car-wash building based on Barrier Bank, seems to have a huge pile of builders rubbish on the front with more added to it. This has been going on for months now and something needs to be done. DC Casson will look into this.

A petition was delivered to the Councillors from a young lady who is part of the Brownie Pack. She has took it upon herself to get a petition signed in the hope that it might help in getting a 'dog poo bag dispenser' in the village. She then went to discuss this further. The petition was well received and a discussion had taken place. It was agreed by the Parish Councillors and District Cllr to look into this.

a. The local land owner who had offered to sell the Parish Council a two acre piece of land suitable for a new cemetery, has retracted the offer due to the road entrance/exit being unsuitable. If and when the road is deemed to be safe, then the offer will be restated. But in the mean time, if anyone comes up with another piece of land, then the land owner suggests the Parish Council take up the offer.

8. Highways matters.

a. No reports had been received. But a Councillor had read in local newspapers that other local Councils had left the roadside verges to grow and wild flower seeds had been sown

giving a rather pleasant outlook. Clerk had been asked to make contact with the LCC highways to ask if this will be possible for the Cowbit Parish area.

Lots of attractions, the promise of many many classic vehicles, the new football club will be there, Brownies running childrens races, beer tent etc etc.

12. Playing field/Pavillion.

- a. Opening of the pavilion to teenagers has proved popular and they have asked to use the goal posts. Spalding United Youth Football Club has now signed a hire agreement to be able to use the field with U13's and U14's using the field on Sunday mornings and training during the week. They plan to have a girls team too. Fees paid will be used to enhance the car park area which the football club have agreed to pay to have this done and then later in the year maybe have the floodlights replaced at their cost. A review of all of this will take place after each football season.
